Watershed Newsletter Going Online

It is with a degree of sadness (and a little relief) that after many years of continuous publication, the AWRA Florida Board of Directors has decided to discontinue producing the bi-monthly Watershed newsletter. The good news is that the important information the newsletter contained will still be available on the AWRA Florida website. See below for links to the information that was typically provided in the newsletter. The AWRA Florida Board of Directors wishes to extend its sincere appreciation to Michael Tyson of Cardno who has been producing the newsletter for over 9 years.
